Why Smile Group Travel?

We offer supporters packages with a difference.

Our tour hosts' Don, Devon and additional Australian ex-test cricketers will ensure that supporters have the most interesting, fun and exciting tour experience, in addition to giving travellers unique accessibility to current and past cricketing icons.

This will be backed up by our experienced support team to look after your every need.

“Don and Devon were brilliant throughout, and made our tour extra special. No closed door is a problem for them, only an opportunity! The group got on so well. It was a cracking trip and more than met all I was hoping for.”
